I also started editing it yesterday. I will check on the document on the G:drive when I am in the office tomorrow and make any further needed edits.

I started editing the existing WY RH paper on the G drive.

G:\Air Program Management\Briefings\State Profile Updates\2013\ RA 2013 WGA Meeting Briefing 6-19-13

Scott can you update the general conformity paper. I added it since it is desperately needed good news for WY.

Hi Gail and Laurel,

Carl asked me to have you all update the WY RH hot topic. Attached is the latest one that was used for the WY midyear. Please use the same format and just update/revise. I need by COB, Friday June 21<sup>st</sup>, so you should get to Carl before then to review. Please cc: me on what you send him. Thanks.
